Large-Scale Hazardous Materials Release Exercise, Lake County

Today, 05/05/16, an exercise/drill simulating a hazardous material accident and exposure was conducted between 0900-1500 hours. There was an increase in the presence of law enforcement, fire department and emergency medical services in the following locations; Hwy 53 and 18th Avenue in Clearlake (Old Airport), Sutter Lakeside Hospital, St. Helena Hospital, and in the area of Lakeshore and Olympic Dr. in Clearlake. There are no road closures planned at this time and the drill should not interfere with the public.

The following agencies participated in the exercise/drill; United States Air Force, California National Guard 95th Civil Support Team, Lake County Sheriff's Office/Office of Emergency Services, Lake County Public Health, Lake County Fire Protection District, Radiological Assistance Region 7, Lake Transit, Department of Energy, St. Helena Hospital, Sutter Lakeside Hospital, Clearlake Police Department, California Highway Patrol, Northshore Fire Protection District, Cal-Fire, Southlake County Fire Protection District, and California Office of Emergency Services.

WEATHER OF CONCERN

Weather of Concern

Northern California:

- Showers and thunderstorms have developed early today and are already producing areas of heavy rain and hail as a weak cold front and associated low pressure system move track over Northern California.
- Recent burn scars, such as the Washington Fire, Alpine County, may produce debris flows if rain is heavy enough.
- All rivers will see increases, but no main stem river flooding is expected.

Active Weather Warnings, Watches and Advisories by County:
